SECTION

Adverting to Government Order No.699-700/M.F.441-22-8 dated the 20th November 1923 and your subsequent letter No.854/M.F.441-22-8 dated the 19th December 1923 regarding the source from which the arrears of cash grant due to Attavulla Sha Darga at Bangalore may be met, I have the honor to state that this amount was first ordered to be met out of the provision made for the salary of the late Muzrai Superintendent in Government Order No.2983-4/M.F.441-22-2 dated the 13th June 1923. As the grant had lapsed at the close of that year, a recommendation was made to Government requesting that the charge might be met from the -- amount of Rs.265/- provided for rounding the grants made under the head "13, Muzrai Institutions" in the current year's budget and this was --- sanctioned in Government Order dated the 20th November 1923 referred to above. The Comptroller stated that it was not one of the heads of -- account from which reappropriations can be sanctioned and thereupon -- the Deputy Commissioner was asked to point out a more suitable source in consultation with the Comptroller

The Deputy Commissioner suggests inconsultation with the ---- Comptroller that the expenditure may be met out of the savings under - 1 Superintendence Travelling allowance and contingencies. It is not possible to spare anything from the current years grant of this office under this head as electric installation and other sundry charges have to be met out of the savings of this head.

Under these circumstances I beg to recommend that the amount may

ordered to be met from the general savings of the current year budget in the absence of any other source to which the cost could legitimately be charged.
